

International Global Health Partnership Forum

PROGRAMME

28 November 2023

9.00 AM – 2.15 PM

CosmoCaixa Barcelona

9.00 – 9.15 AM **Inaugural Ceremony**

- **HRH the Infanta Cristina of Spain**, Director, International Area of the "la Caixa" Foundation and President, Board of Trustees of ISGlobal.
- **Carmen Cabezas**, Secretary of Public Health, Generalitat de Catalunya.
- **Antón Leis**, Director, Spanish Agency for International Development Cooperation, Government of Spain.

9.15 – 9.45 AM **Presentation of ISGlobal's Strategy: Shaping a Sustainable Global Health Agenda**

- **Antoni Plasència**, General Director, ISGlobal.
- **Denise Nanche**, Scientific Director, ISGlobal.

9.45 – 10.15 AM **Keynote Address**

- Introduction: **Judith Garcia-Aymerich**, Research Professor, ISGlobal
- **Samba Sow**, General Director, Institut National de Santé Publique Mali and CVD-Mali.

10.15 – 11.15 AM **PANEL 1: Searching for an Effective and Equitable Preparedness Model in the Era of Systemic Health Crises**

The panel will focus on the intricacies of systemic health crises. Together, we will explore the complexities surrounding emergency preparedness and response and the challenges posed by scientific, financial, institutional, and legal aspects of preparedness models. Reflecting on the lessons from COVID-19, we will delve into the pivotal role of science in addressing these crises.

- Introduction: **Elisabeth Cardis**, ISGlobal.
- **Helena Legido-Quigley**, Imperial College London.
- **Katherine Ginsbach**, O'Neill Institute.
- **Oliver Morgan**, WHO Hub for Pandemic and Epidemic Intelligence.

*Moderation: **Gonzalo Fanjul**, ISGlobal.*

11.15 – 11.45 AM **Coffee break**

11.45 – 12.45 PM **PANEL 2: Opportunities and Needs in the Future Scientific Landscape of Global Health. Insights from the Global South**

The panel will convene experts and leaders in the global health field to explore and discuss the impact of contemporary cutting-edge scientific advancements on global health and the challenges that arise in this context. The focus will be on the Global South's perspective, which is often overlooked in the realm of innovative research.

- Introduction: **Quique Bassat**, ISGlobal.
- **Carla de Freitas**, Fundação Osvaldo Cruz, Fiocruz.
- **Martinho do Carmo Dgedge**, Fundação Manhiça
- **Phillipe Duneton**, UNTAID.

*Moderation: **Adelaida Sarukhan**, ISGlobal.*

12.45 – 1.45 PM **PANEL 3: An Integrated Approach to Address the Planet's Health Crisis**

The panel aims to explore the current status of planetary boundaries, the intersection of climate and health, the challenges posed by zoonotic diseases through the One Health perspective, and the concept of planetary health. Experts from diverse disciplines will discuss the interplay of these issues and seek integrated solutions. Embracing a holistic approach to discuss the health of the planet, the discussion will promote cross-disciplinary dialogue to ensure a sustainable and healthier future.

- Introduction: **Ivana Cvijanovic**, ISGlobal.
- **Benoît Miribel**, One Sustainable Health for All Foundation.
- **David Savitz**, Brown University.
- **Fernando Valladares**, Consejo Superior de Investigaciones Científicas
- **María Neira**, Department of Public Health and Environment, WHO.

*Moderation: **Cathryn Tonne**, ISGlobal.*

1.45 – 2.15 PM **Closing Session: Summary of Conclusions from the Event and Institutional Closure**

- Introduction: **Antoni Plasència**, General Director, ISGlobal.
- **Annette Peters**, Chair, External Advisory Committee, ISGlobal and Institute of Epidemiology, Helmholtz Zentrum München.
- **Quique Bassat**, Incoming General Director, ISGlobal.

2.15 – 3.35 PM **Networking lunch**

List of speakers

- **HRH the Infanta Cristina of Spain.** Director of the International Area of "la Caixa" Foundation and President of the Board of Trustees of ISGlobal.
- **Quique Bassat.** ICREA Research Professor, ISGlobal
- **Carmen Cabezas.** Secretary of Public Health, Generalitat de Catalunya.
- **Elisabeth Cardis.** Research Professor, Head of the Radiation Group, ISGlobal.
- **Ivana Cvijanovic.** Assistant Research Professor, Climate & Health, ISGlobal.
- **Carla de Freitas.** Deputy Director Instituto de Ciência e Tecnologia em Biomodelos, Oswaldo Cruz Foundation, Fiocruz.
- **Martinho do Carmo Dgedge.** President, Manhica Foundation, Mozambique.
- **Phillipe Duneton.** Executive Director, Unitaid.
- **Gonzalo Fanjul.** Policy Director, ISGlobal.
- **Judith Garcia-Aymerich.** Head of the Environment and Health over the Lifecourse Programme, ISGlobal., ISGlobal
- **Katherine Ginsbach.** Senior associate, Center for Transformational Health Law, O'Neill Institute, Georgetown University.
- **Helena Legido-Quigley.** Chair, Health Systems Science, Imperial College.
- **Antón Leis.** Director, Spanish Agency for International Development Cooperation, Government of Spain.
- **Benoît Miribel.** Secretary General, One Sustainable Health for All Foundation.
- **Oliver Morgan.** Director, Pandemic and Epidemic Intelligence Systems, WHO Hub for Pandemic and Epidemic Intelligence.
- **Denise Naniche.** Scientific Director, ISGlobal.
- **María Neira.** Director, Department of Public Health and Environment, WHO.
- **Annette Peters.** Chair of Epidemiology, Faculty of Medicine, LMU Munich and Director of the Institute of Epidemiology, Helmholtz Zentrum München.
- **Antoni Plasència.** General Director, ISGlobal.
- **Adelaida Sarukhan.** Scientific writer, ISGlobal.
- **David Savitz.** Professor of Epidemiology, Brown University School of Public Health.
- **Samba Sow.** Director General, Institut National de Santé Publique and CVD-Mali.
- **Cathryn Tonne,** Research Professor, ISGlobal.
- **Fernando Valladares,** Research Professor, CSIC.
