

# SUPERHEROES VS SUPERBUGS

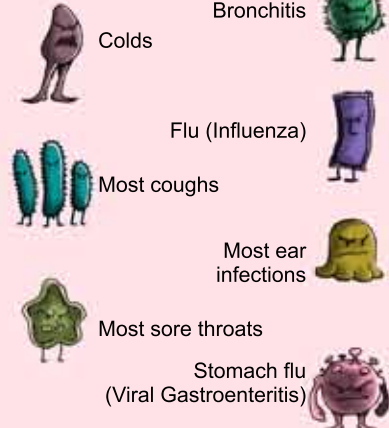

SUPERWISDOM TO FIGHT ANTIBIOTIC RESISTANCE

OUR ANCESTORS  
CALLED IT MAGIC BUT  
YOU CALL IT SCIENCE.

AVOID SELF-MEDICATION! DON'T TAKE ANTIBIOTICS WITHOUT PRESCRIPTION  
OF A MEDICAL PROFESSIONAL. HELP KEEP THE MAGIC WORKING.

I'M A SUPERHERO.  
I CAN DO ANYTHING.

VIRAL INFECTIONS THAT CAN'T  
BE FOUGHT WITH ANTIBIOTICS:

Source: <http://www.mayoclinic.com/health/antibiotics/FL00075>

ANTIBIOTICS CAN'T DO EVERYTHING. THEY **CAN'T KILL VIRUSES**. DON'T TRY  
TO FIGHT THE FLU, COLDS OR A SORE THROAT WITH ANTIBIOTICS.

THE WORLD MAY  
NOT BE PERFECT

BUT IT'S THE ONLY  
ONE WE'VE GOT.

BACTERIAL INFECTIONS THAT CAN  
BE FOUGHT WITH ANTIBIOTICS:

Source: <http://www.mayoclinic.com/health/antibiotics/FL00075>

ANTIBIOTICS ONLY WORK AGAINST BACTERIA.

WITH GREAT  
POWER,  
COMES GREAT  
RESPONSIBILITY.

BEHAVE RESPONSIBLY. ANTIBIOTICS IMPROPER USE OR ABUSE  
ARE VERY DANGEROUS PRACTICES AND THE MAIN REASON WHY  
SOME BACTERIA BECOME DRUG RESISTANT.

IT'S NOT WHAT YOU START  
THAT COUNTS, IT'S WHAT  
YOU FINISH

ALWAYS **FINISH YOUR ANTIBIOTIC PRESCRIPTION** EVEN IF YOU FEEL  
WELL. TAKE **ALL PILLS**. ANY SURVIVING BACTERIA MAY BECOME MORE  
RESISTANT AND CAN BE SPREAD TO OTHER PEOPLE.

UNFORTUNATELY, SOME  
THINGS CAN'T BE SAVED  
FOR TOMORROW.

DON'T KEEP LEFTOVERS OF ANTIBIOTICS FOR A FUTURE OCCASION. THEY MAY NOT  
WORK OR YOU MOST LIKELY WON'T HAVE ENOUGH TO KILL ALL BACTERIA.

A HERO CAN  
BE ANYONE.

BUT YOU'D BETTER  
LEAVE IT TO US.

DON'T PUT YOU/OTHERS AT RISK! **SENSIBLE USE OF ANTIBIOTICS**  
BRINGS BENEFITS FOR US BOTH **INDIVIDUALLY AND COLLECTIVELY**.

STOP THE SPREAD OF NEW ANTIBIOTIC  
RESISTANT BACTERIA.

LET THEIR FORCE BE WITH YOU...  
WHEN YOU REALLY NEED IT!
