

Sanofi Espoir Foundation Scholarship Programme for ENERGHY: Energising Global Health Innovation and Entrepreneurship Summer School 2021

1. Introduction

ENERGHY 14-day Summer School is a toolbox and a fresh experience to change perspective for a new generation of Global Health innovators. Designed to empower postgraduate students, researchers and young professionals to create new business models with global citizen-centric solutions aimed at democratizing health for all.

10 tuition scholarships sponsored by Sanofi Espoir Foundation for ENERGHY 2021 participants coming from low- and middle-income countries

2. Eligibility criteria

Applicants to the Sanofi Espoir Foundation scholarships **must be pre-accepted in the course and be from a low- and middle-income country**. Please check the [World Bank classification](#) to know which countries are considered under this category.

3. Application procedure:

- The candidate **must be pre-accepted in the course** to apply for the scholarship. (If you have not applied yet, please complete the [Pre-Application Form](#)) and email your CV and an optional video).
- The candidate must submit a **Motivation letter** (300 words max), including the following information:
 - Organisation and position (if applicable)
 - Do you have an existing source of funding for supporting the postgraduate training? And can this funding cover the ENERGHY tuition fees and university taxes?
 - How will the course contribute to your career development?
 - Why should the scholarship be granted to you?

The letter will be sent by email to energhy@isglobal.org once the candidate has been pre-accepted in the course.

4. Funding

Sanofi Espoir Foundation will cover the tuition fees and university taxes for the ENERGHY Summer School 2021 edition.

The maximum number of scholarships available is 10.

5. Procedure awarding scholarships

Selected candidates will be informed via email by in two phases:

First Phase: Results for scholarship applications received from February to the 23rd of April 2021 will be notified before the 15th May 2021.

Second Phase: Results for scholarship applications received from the 23rd of April to the 10th of June 2021 will be notified before the 15th of June 2021 according to availability.

We strongly encourage candidates to submit early course applications and, once accepted, apply for the scholarship as soon as possible.

This procedure will ensure equitable and balance gender recruitment practices for the 10 selected candidates.

6. The scholarship recipient's responsibility

Once the course is completed the scholarship recipient must elaborate a short report on the course experience including the following information (one page max):

- What you liked the most?
- What would you improve?
- What main learning will you apply more immediately in your professional life?
- What will be your next professional steps?
- Would you recommend the course?
