

PROCUREMENT NOTICE**Broad One Health Endectocide-based Malaria Intervention in Africa
Scope of work for data management and field app contractor****(File 4/2019)****1. Contracting Entity**

- a) Fundació Privada Institut de Salut GlobalBarcelona
- b) File number: 4/2019

2. Purpose

The BOHEMIA project has complex data needs. ISGlobal is seeking a contractor to handle data management from the field to analysis. This includes development of a field-friendly data collection app for mobile devices, participation in design and maintenance of databases and creation of tailored dashboards.

3. Legal system

Selection will be based on a competitive basis and will comply with internal procurement regulations of ISGlobal Procedure foreseen in section IX of the Internal Contracting Instructions of the entity. This contract is considered a private contract and is subject to private law, governed by this Schedule, by the contract and documentation attached, and in everything not provided by the applicable civil and commercial legislation.

4. Budget, price and estimated value**5.**

The program is subject to a stage-gating process with requirement to deliver critical milestones by September 2019 in order to carry on with the trials. The contractor is expected to work with the ISGlobal team for fees not exceeding US\$ 200.000.

Contract will be submitted in USD.

6. Submission

Interested applicants are invited to submit a comprehensive proposal (herein "response") addressing the needs as outlined in this RFP and the Response Instructions document to contrataciones@isglobal.org.

You can find all the documentation in the Entity's Contracting Profile (www.isglobal.org).

7. Deadline:

March 8, 2019 at 12:00.

Please submit all responses in one consolidated document in PDF.
