<sup>1</sup> For internal projects that highly depend on the Core Facility Immune Response & Biomarkersfacility, a technician can be hired in the framework of those projects.  
<sup>2</sup> Costs correspond to the number of samples indicated. For higher numbers of samples, costs are subjected to offers and negotiation. Please contact us and ask for a quotation.  
<sup>3</sup> For multiplex assays.  
<sup>4</sup> Some examples listed but more biomarkers are possible. Please contact us and ask for availability and quotations.  
<sup>5</sup> The costs of antibody multiplex assays are indicative and may vary depending on the selected antigens and current supplier pricing. Customized panels can be developed according to specific project requirements. Please contact us to request a tailored quotation.
