

CRITERIOS DE ADJUDICACIÓN

(EXPEDIENTE N.º 50-2025)

Las ofertas recibidas se valorarán en función del nivel de cumplimiento de los requisitos solicitados por ISGlobal:

1. CRITERIOS DE ADJUDICACIÓN EVALUABLES MEDIANTE JUICIO DE VALOR Y CONTENIDO DE LAS OFERTAS..... Hasta 20 puntos

Proposal that describes (i) how samples will be stored and manage at the laboratory, (ii) which controls will be used to track the quality of the data, and (iii) how troubleshooting and/or technical support will be provided.

The proposal must be written in a maximum of 4 pages in Arial 12 font, single spaced.

The proposal will be evaluated according to the following criteria:

- **from 14 to 20 points:** The proposal is consistent. It is adapted to the needs of the project. It is a proposal that considers and concretizes the appropriate information for the development of the project.
- **7 to 13 points:** The proposal is correct. It adapts to the needs of the project, but the proposal leaves doubts and shows aspects that are underdeveloped or ambiguous. It deals in a generic way with the development of the project.
- **1 to 6 points:** The proposal is deficient. Relevant technical aspects are poorly developed or ambiguous and are not adapted to the development of the project.
- **0 points:** The proposal does not refer to the requested tasks. Critical technical aspects are not adapted to the needs of the project. The supplier's vision is vague and inconsistent.

2. CRITERIOS DE ADJUDICACIÓN EVALUABLES MEDIANTE FÓRMULAS AUTOMÁTICAS..... Hasta 80 puntos

2.a. EL PRECIO DE LA OFERTA SE CALIFICARÁ DE MANERA AUTOMÁTICA MEDIANTE LA SIGUIENTE FORMULA..... 70 points

$$P_v = \left[1 - \left(\frac{O - O_m}{IL} \right) \times \left(\frac{1}{VP} \right) \right] \times P$$

Where:

P_v= Score of the offer to be valued

P = Economic criterion points

O_m = Best Offer

O = Offer to Value

IL = Bid Amount

VP = Weighting Value, set at 2.

2b. CRITERIOS OBJETIVOS

Demonstrated experience with Olink Explore 384 platform in studies similar to ours Up to 10 points

- **10 points:** 5 or more projects
- **5 points:** 3-4 projects
- **1 point:** 1-2 project
- **0 points:** 0 projects

The determination of the experience with Olink Explore 384 platform in studies similar to ours will be scored based on a document of good execution issued by the client that indicates the name of the project, the Olink platform used, the number and type of samples analyzed.
